

GRAVE SITUATION AND HELPLESSNESS

On the eve of Eid-ul-fitr, I want to inform Slave community of J&K in general and Muslims of Kupwara in particular, about this grave situation which has given fatal and shameful results.

One man namely Adhik Kadam, said to be resident of Pune Maharashtra has established an Orphanage of girls at Sulkote Kupwara by the name of Borderline Foundation. These girls are getting education in various local govt. schools and stay for night in a hostel in Sulkote with the facility of stay and eating etc. One local lady is care taker of the hostel.

Girls are of the age of 12 to 15 years, entering the age of adolescence.

Adhik is clever and dangerous man. He misuses these girls in Maharashtra and other parts of India. These girls are introduced as the result of sexual assault of on-going armed struggle, and now I (Adhik) take care of these girls.

Adhik collects huge amount of funds in the name of this orphanage. This is a shame for local people to have girls hostel taken care by non-muslim, non-state resident. Why do not locals take control of this trust?

In this hostel officers of Army and other responsible people do come in a regular manner and conduct dance and singing parties using drugs and other sedatives. What will be results of such things- people can understand?

These girls are taken to Jammu and Maharashtra with unknown people, and taken in Pubs etc. Muslims should think in terms of religion. What type of shame and disgraceful situation it is, and why should we accept all this in calm status.

We took notice of this and called Adhik Kadam but he spoke in a high language in back drop of Army and forces.

We summoned responsible people of Sulkote to take care of this trust and they agreed to save honour and dignity of girls but they were unable to do anything because of threat of Army. This situation is accepted by people only because of the Army rule here and everything is done on gun point. Local govt. is also helpless.

District magistrate and police officers of Kupwara should also take notice of this situation? But no one dares because of Army rule here, and, govt. and army dictates terms here in Kashmir.

People should do managed and respectable protest against this.

There is information that Adhik Kadam has purchased Gold jewellery also for girls. Tomorrow he (Adhik) will make these girls marry as per his own choice with the help of Army. They will be taken to Jammu & Maharashtra. This will be a shame and disgrace for Kashmiri nation.

I humbly appeal respected people of district Kupwara, Imams of mosques, scholars, administration and police to stop this cancer as early as possible; otherwise we will be taken to serious punishment.

This is an example.

There are many such trusts run in Army control. On the eve of Eid-ul-Fitr we must take it as for granted that unless Kashmir is free from Army control our future will remain dark.
